MasterCraft X22 - ALL WAVES, ALL WAYS

Made with the grand ambition to cut out compromise, the new X22 comes correct. At 22 feet, it's small enough to be highly agile but with an open pickle fork bow and smart layout, there's plenty of seating to bring a strong crew and all the of the creature comforts you expect in the X Series. With a stunning 3550 pounds of ballast and the new intelligent Switchback Ballast Tank, you can go heavy and hard or slow and low to make a wave or a wake for every skill level. Load up 15 of your family and friends, bring the boards and get ready to set summer on fire.

MasterCraft boats are covered by the industry leading 5 Year MasterCare warranty system. Five year, no fear, factory backed warranty. A warranty you likely won't use. The engine, the touchscreen, the ballast system, the stereo, the carpet, the prop, the seats, the instrument gauges...every single element of your boat right down to the screws is cover for five years, with two exceptions: trailer paint/corrosion and gelcoat defects. Nobody in the industry can top it.

Options, specifications and sale price are subject to change without notice. Please contact us for the latest information.

Suit buyers interested in Wakeboarding, Wakeboard, Wakesurf, Wakesurfing, Ski boat, Waterskiing, Boats, Wake, barefoot, Slalom, Skiing,
