Description

Robalo 246 Cayman SkyDeck Bay Boat (2023 Model)

Yamaha 300HP 4 Stroke Outboard

Have you ever wished you had a bird’s-eye view of the water beyond your boat? You don’t need wings... just the help of the Robalo 246 Cayman SkyDeck. Step aboard and you will find an expertly-crafted second station that gives you more control than ever before, extending your vantage point and taking your angling adventure to new heights—literally. The 246 builds upon the tradition of Robalo’s go-anywhere Caymans, a family of bay boats that are just as comfortable on offshore adventures as they are at shallow nooks and crannies by the coast. Ample deck space gives you room to welcome the whole crew on board, a perk that the addition of the Sky Deck only amplifies. Built-in storage for everything from rods to live bait to tackle is abundant, so you’re never limited by the capacity of your ride.
