Stacer's new Revolution Hull Design is the hull that does it all. The Revolution Hull Design is a High Performing Hull that Glides over the Water providing a More Well Balanced rid with Superior Stability Underway and at Rest. With a concave bow the hull cuts through the water with ease and the EVO Advanced pressing in the back part of the hull provides greater stability at rest.

The 429 Sea Master is the most popular model in the Stacer range. It is rated up to 60HP and can carry up to 5 people. You will have no issues fishing the harbour or close offshore reefs in this great package from Stacer. This little boat punches above its weight!
