Stacers new Revolution Hull Design is the hull that does it all. The Revolution Hull Design is a High Performing Hull that Glides over the Water providing a More Well Balanced rid with Superior Stability Underway and at Rest. With a concave bow the hull cuts through the water with ease and the EVO Advanced pressing in the back part of the hull provides greater stability at rest.

The 449 Crossfire is the perfect all-rounder as the name suggests. The boat is designed as a serious fishing platform that can be converted into a family bowrider. The 449 Crossfire Side Console can take a 75HP Max and 5-person capacity. You will have no issues fishing the harbour or close offshore reefs in this great package from Stacer. Convert the forward casting platform into a cushioned bow rider for when the family on board. This little boat punches above its weight!

We offer in house finance and insurance packages to approved customers. Call us today to tailor a Stacer package to suit your needs.
