Stacer’s Revolution Hull Design is the hull that does it all. The Revolution Hull Design is a High Performing Hull that Glides over the Water providing a More Well Balanced rid with Superior Stability Underway and at Rest. With a concave bow the hull cuts through the water with ease and the EVO Advanced pressing in the back part of the hull provides greater stability at rest.

The 499 Wild Rider is the best value for money aluminium bowrider on the market. This boat has always been a popular model but has now been modified and can take up to a 90HP outboard and has a 6-person carrying capacity. You will have no issues fishing the harbour with the family one day then going skiing the next in this great package from Stacer. This little boat punches above its weight! Great family boat that seats 6 adults, get the kids out on the water and start living!

The Stacer 499 Wild Rider has loads of usable space in the cockpit and bow areas with a very generous internal freeboard which makes for an extremely comfortable experience on the water.

We offer in house finance and insurance packages to approved customers. Call us today to tailor a Stacer package to suit your needs.
